

Fraud Phishing

Take care when online

- ◆ Online scams are on the rise. Watch out for bogus emails and websites that “phish” for your account information.
- ◆ Information that is phished includes:
 - ◆
 - ◆ Credit Card Numbers
 - ◆ Social Security numbers
 - ◆ Deposit account numbers
 - ◆ User names and passwords

Be wary of any email that:

- Tells you there is a problem with your account.
- Directs you to website where you are asked to provide sensitive information.
- Does not include a phone number you recognize to be genuine.
